Dear Students, Parents, and Guardians,

Thank you for your interest in Squalicum Drama Club's 2026 fall play, *Radium Girls*! This is a transition year for Squalicum Drama. Please allow us to introduce ourselves!

Jena Murray: Drama Club Advisor; Artistic Director for productions

Joining Squalicum High School as the new club advisor and Artistic Director follows a lifetime of theatre involvement, from community theatre as a child, attending a Performing Arts High School, to minoring in Theatre Arts in college, and later re-joining community theatre as an adult. Jena and her family moved up to the Bellingham area 4 years ago, previously living in Oregon. Jena is also an educator and currently works at Cordata Elementary in Special Education. When not found in the theatre, she enjoys exploring the outdoors with her three children and spouse by sea and by snow throughout the Pacific Northwest. The best way to contact Jena is by email > jena.murray@bellingshamschools.org

Mr. Reinholtz: Crew Advisor; Technical Director for productions

For the last eight years, Mr. Reinholtz has been the head theater technician at SQHS and worked as Tech Director for SQHS plays and musicals. You've probably seen him behind the tech booth, building the set, and working with student crews! He also performs these duties and more as Tech Director for Squalicum Musical Theatre Institute, and he has volunteered for several other community theatres in various capacities—he is currently the Sound Chair at Bellingham Theatre Guild. Mr. Reinholtz is a science teacher at SQHS, so students can catch him in person (room B211), and anyone can email him > timothy.reinholtz@bellingshamschools.org

Now, on to the details! Both this packet and our website (squalicumdrama.com) have lots of information on *Radium Girls*! Please review it and if you'd like to audition or serve on a tech crew, please do the following:

Step 1: Students: Go to our website and fill out the online Audition Form by **September 22nd** or pick up a Crew Application from Mr. Reinholtz in room B211 (rolling acceptance date—the sooner the better).

Step 2: Students and Parents/Guardians: Please carefully review and complete all of the relevant information in this packet! Cast and Crew all need hard copies of the forms in this packet **SIGNED BY PARENTS/GUARDIANS**! If you can't print these forms easily, please stop by Mr. Reinholtz's room (B211) to obtain a hard copy of this packet to bring home for parents/guardians to sign!

- Auditioners can **bring these SIGNED FORMS to auditions** (or hand them in to Mr. Reinholtz in room B211 or to Jena at a Drama Club meeting in advance).
- Crew applicants can bring these SIGNED FORMS to Mr. Reinholtz in room B211 (or bring them to a Drama Club meeting). **Crew decisions will be made on a rolling basis and positions may be limited.** Apply and submit these signed forms early!

Step 3: Students and Parents/Guardians: When you visit our website, please also carefully review our [REHEARSAL CALENDAR](#)! This is a google calendar you can add to your own, and it will be updated periodically so should reflect real-time scheduling changes.

Keeping updated on the show!

SHOW and AUDITION INFORMATION

Our **audition process** is explained in detail at our website. Please see our “[audition information](#)” page. You will also be able to read more about the show and the characters in several links provided on that page.

Please fill out the online **Audition Form**, found on our website and here, **by September 22nd**, at the latest.

What to bring to auditions on September 22nd or 23rd:

In addition to preparing your one-minute monologue or 2-person scene (as explained on our website), please also bring the following to your audition:

Comfortable clothes and shoes—You want to be able to move comfortably.

Conflict Form—This helps the directors know who is going to be gone and if there are too many potential absences to be considered for a large role.

Commitment Contract—This is a contract between directors, participants, and families to verify that everybody understands the commitment and expectations of this large undertaking.

TECH CREW INFORMATION

No show is complete without the incredibly strong technical crews supporting it! Crew participation is just as important as those who are onstage learning lines, singing songs, and wearing costumes. We've divided our crews into the following teams—hopefully you've already indicated your preferences in the online form you submitted. (Please note that POSITIONS MAY BE LIMITED, and we hope we can accept all applications!):

- Technical Design: lighting, sound
- Artistic Design: costumes, makeup, hair
- Stage Crew: paint and decorate set, run show from backstage
- Properties: find, create, and manage props

COMMITMENT LEVELS

In some ways, crew participation is more flexible than being in the cast, but in other ways it's less flexible. Read on to learn about the time commitment in crew!

“Run Crew” (Rehearsal Period, Tech Weekend, Tech Week, + Every Show):

Run Crew are the crew members who build the show and run the performances. This crew requires high levels of commitment and, while there is some scheduling flexibility early on, there is very little scheduling flexibility once tech weekend begins. Crew members who run the show **MUST** be on site for tech weekend, tech week, and every show date, as well as be able to participate enough during the regular rehearsal period to be ready for tech weekend! If conflicts arise with these dates, or you miss too many days crucial to your role, it may be reassigned. Priority will be given to applicants who can commit to Run-Crew levels of commitment.

“Pre-production Crew” (Rehearsal Period and/or Limited Availability):

If you are not available for all of the “run crew” dates, you may still be able to participate in crew activities leading up to the shows, such as painting set, creating props, costuming, lighting, sound, hair, makeup, etc. You can also attend during tech week, come to the shows, and take your bows with the rest of the crew, but we cannot assign you responsibilities during the show. Missing too many rehearsal days may mean we can't accept your application or we can only assign you limited duties. This is determined on a case-by-case basis.

TO APPLY FOR CREW

Part 1: Pick up the hard copy **Crew Application** from Mr. Reinholtz in room B211. Fill it out and return it to him! This form helps him know who everybody is, what their strengths are, and what crew roles they may be interested in.

Part 2: Return the two forms (below) signed by a parent/guardian to complete your application! **PLEASE NOTE** Crew positions may be limited and we will be **making some decisions on a rolling basis** as applications come in. The sooner you submit your crew application, the better, since positions may fill before you submit your application.

Conflict Form—This helps the tech director know who is going to be gone and if there are too many potential absences to be considered for particular crews at particular times.

Commitment Contract—This is a contract between the directors, participants, and families to verify that everybody understands the commitment and expectations of this large undertaking.

SUBMIT SIGNED FORMS to Mr. Reinholtz in room B211.

Auditioners return at auditions on Sept 22 or 23

Crew applicants return to Mr. Reinholtz in B211 asap, or before attending crew days

Using this [preliminary rehearsal calendar](#) (from our website) as a guide, please list **ALL** known conflicts that you will have with scheduled rehearsals/production days. If you are cast, we will use this information to make the master calendar, so please be as complete as possible. If you are applying for crew, we will use this information to match the needs of the show. This includes any commitments that you know of, such as sports, lessons, doctor's appointments, etc. ****Please note that we can work around a reasonable number of conflicts, but too many will preclude you from being considered for a role in the cast. Crew teams may be more flexible, depending on timing.****

For rehearsals, cast will generally rehearse from 3:30-5:30 Tuesdays-Fridays until Tech Weekend (Nov 7-8), which will begin our LONG days. We may switch to later rehearsals during Tech Week (Nov 9-12)—please be aware of that possible schedule change! More info will follow. The shows run Friday – Sunday for two weekends (Nov 13 – 22), with set strike after the last show.

Any conflicts that arise after submitting this form should be shared with Jena (cast) or Mr. Reinholtz (crew) asap, but definitely **before** you miss the day. Please, PLEASE be upfront and honest about missing rehearsal or production days. We would much rather know about absences well in advance so we can work WITH YOU to make the best possible choices for the entire cast, crew, and team!

BELOW PLEASE LIST ALL CONFLICTS THAT MIGHT INTERFERE WITH CAST REHEARSALS/CREW PRODUCTION DAYS:

- I will be kind. I commit to being inclusive and welcoming of all cast and crew members. We are a team!
